

JK3800DH

GE® 27" Built-In Combination Microwave Oven

Dimensions and Installation Information (in inches)

Note: Cabinets installed adjacent to wall ovens must have an adhesion spec of at least a 194°F temperature rating.

Installation Information: Before installing, consult installation instructions packed with product for current dimensional data.

Door handle protrudes 3" from door face. Cabinets and drawers on adjacent 45° and 90° walls should be placed to avoid interference with the handle.

Electric wall ovens are not approved for installation with a plug and receptacle. They must be hard wired in accordance with installation instructions.

Note: These ovens are not approved for stackable or side-by-side installations.
